

# Iglesia de Cristo

A report on the work of the Hispanic church of Christ in Warren County, TN — Issue 7, January - March 2001

## A Great Start For 2001!

The beginning of 2001 has followed the success of the year 2000. There have been 8 more baptisms in 2001, bringing the total since the work began to 40! What makes this growth even more gratifying is the fact that the new members of the congregation are enthusiastic in teaching their family and friends the Gospel. Several of these converts are now families united not only by the flesh but in the Lord.

The generous participation by the English speaking brethren has been most encouraging. So many have given generously, prayed fervently and extended a helping hand to our Hispanic brethren.

*“For God is not unrighteous to forget your work and labour of love, which ye have shewed toward his name, in that ye have ministered to the saints, and do minister.” Hebrews 6:10, KJV.*

The elders at Bybee Branch want to express their continued appreciation to the Mt. Leo congregation for their generosity in providing a place for our Hispanic brethren to meet. As we have stated before, we are aggressively searching for a bigger and more permanent location for them to meet. Two or three options have appeared to become available only to not materialize. The growth of the congregation and need for classroom space requires that we continue to find them a suitable location.

If you have any questions regarding this work, please contact us. *The Elders*
