News & Notes

"You Never Mentioned Him to Me"

"35 Then Jesus went about all the cities and villages, teaching in their synagogues, preaching the gospel of the kingdom, and healing every sickness and every disease among the people. 36 But when He saw the multitudes, He was moved with compassion for them, because they were weary and scattered, like sheep having no shepherd. 37 Then He said to His disciples, "The harvest truly is plentiful, but the laborers are few. 38 "Therefore pray the Lord of the harvest to send out laborers into His harvest."" Matthew 9:35-38.

Next Monday, Leonard and I will be starting our 27 hour 8 minute journey to Hyderabad, India. We are excited about the work that is ahead of us, but we are humbled and in awe of the responsibility of teaching God's word to the many people we will come in contact with during our journey. Our hosts in India have scheduled full days and nights of teaching and preaching. For Leonard it will be especially exciting because he will be seeing new territory and be doing a different type of mission work than he has done in the past. I am looking forward to renewing friendships from the past.

Please remember the work in India in your prayers. We appreciate the many kind words and monetary support you have shown to us. We will do our best to represent Bybee's the way the Lord would have us to do.

A Tremendous Thank You!

On August 27, 1985 the Lawrence family rolled into McMinnville to begin work with the Bybee Branch congregation. We were met by some wonderful Christian folks who welcomed us with open arms. During the past 24 years you have made us a part of your family.Words cannot express the place you have in our hearts.As we begin our 25th year we express our deep gratitude for your continued kindness and support. **The Lawrence Family**
