## Out of the mouth of babes...

James (age 4) was listening to a Bible story. His dad read, "The man named Lot was warned to take his wife and flee out of the city but his wife looked back and was turned to salt."

Concerned, James asked, "What happened to the flea?"

### Have You Counted the Cost?

Luke 14:26-33 teaches the lesson that one must "count the cost." Jesus uses the illustration of a man who intends to build a building. It would be foolish for this man to start the project without first counting the cost, "lest, after he has laid the foundation, and is not able to finish, all who see it begin to mock him." Jesus then illustrates the same point by considering how foolish it would be for a king to go to battle against another king if he does not first sit down and consider whether or not his 10,000 men will be able to stand against the other army of 20,000 men.

Yes, there is a cost to being a Christian. Verse 26 tells that one cost of following Christ is putting Jesus before other relationships. The verse specifically mentions fathers and mothers, wives and children, brothers and sisters, and yes "his own life also." The cost for the rich young man in Matthew 19 was to sell all of his possessions and give to the poor. Part of the cost of being a Christian is to give one's old, sinful lifestyle. This cost includes completely giving up old sinful addictions, old companions who many cause a Christian to fall, or anything else which may interfere with the Christian lifestyle.

However, there is a much more severe cost for the decision NOT to follow Christ. That cost is found in Romans 6:23 which reads, "For the wages of sin is death." Colossians 2:13 reads "And you, being dead in your trespasses and the uncircumcision of your flesh, He has made alive together with Him, having forgiven you all trespasses. Therefore, unless a man is "made alive" spiritually in Christ while he is still living physically, he will after physical death be separated from God eternally in spiritual death in the lake of fire and brimstone (Revelation 21:8). Have you counted the cost?

## God and the Scientist

God is sitting in heaven when a scientist says to him, "Lord, we don't need you anymore. Science has finally figured out a way to create life out of nothing. In other words, we can now do what you did in the beginning."

"Oh, is that so? Tell me," replies God.

"Well," says the scientist, "we can take dirt and form it into your likeness and breathe life into it, thus creating man."

"Well, that's interesting. Show me."

So the scientist bends down to the earth and starts to mold the soil.

"Oh no, no, no," interrupts God. "Get your own dirt."

## Make A Visit

A new couple visits your services. A few people speak to them. They are sent a letter expressing our appreciation for their visit, but will they return?...MAKE A VISIT!

A lonely person is in a nursing home. Occasionally someone stops to visit, but often those individuals feel that they have been forgotten.... MAKE A VISIT!

A new family moves into town. They have no church preference. If we visit them and invite them to Bible class and worship, perhaps they will come...MAKE A VISIT!

A new family places membership. Perhaps one or two will visit them, but it would mean so much if several members of the church would stop to get acquainted...MAKE A VISIT!

A member of the church begins to miss the services of the church. The occasional absence becomes a pattern, and he is seldom seen anymore. What might have happened if concerned Christians had made visits into the home... MAKE A VISIT!

A new convert is baptized and added to the family. We tell them how happy we are to have them as a new brother/sister in Christ, but do we continue to encourage them and help them to remain faithful in living the life of a Christian? MAKE A VISIT!
