Youth News

Pizza Making Party:

31 of us met at 10am at Viola Pizza Company in Viola, TN on Saturday to make pizza together. We had a great time learning how to kneed and stretch the dough out to make it into the shape of a pizza. Some of our pizza's were circular while some were more like a square. A few pizza's were fluffy and thick then some were thin. Some had one single pepperoni. That was the beauty of making your own pizza. We had a great time with fellowship and laughter. Michael Andrews is a pro at making pizza, they offered him a job when they saw how good his pizza making skills was.

Labor Day Youth Madness:

WOW!!! What an event this was. I was extremely nervous when I agreed to rent a 55 passenger bus but we could have used another bus. We had 74 in total go to Chattanooga for this event. We had services by the river in Chattanooga, where some of the young adults led songs and prayers, and Micah gave a lesson on Psalm 1 and did a great job. Then enjoyed some fellowship and a picnic dinner. Then we loaded up and headed to the trampoline park where we were greeted by the staff. SuperFly did an outstanding job and I would highly recommend going if you haven't gone yet. To me the best part about the trip was seeing so many different age ranges playing together. At one time I saw Ben Boyd, Jessi and Hollyn playing together, then look back to see Jamison, Connor Andrews and Talan playing together. Then see Hayes, Jacob, Ethan Roller playing dodgeball against Jacob and Justin Griffin and Ryan McColloch. It truly was a sight to see. I also believe that us "older kids" had just as much fun. Check facebook for some videos if you need a good laugh. I was finally able to slam dunk a basketball thanks to the trampolines, so I can check that off of my bucket list. Needless to say we had a great time. A BIG THANKYOU to Leonard for picking up and driving the bus for all of us. We really had a great time.

Erupt Youth Rally:

PLEASE SIGN UP on the youth board so I can register us as a group. I know it is still a month off but we have to register by September 17th.

The New School Prayer

Now I sit me down in school
Where praying is against the rule
For this great nation under God
Finds mention of Him very odd.
If Scripture now the class recites,
It violates the Bill of Rights.
And anytime my head I bow
Becomes a Federal matter now.
Our hair can be purple, orange or green,
That's no offense; it's a freedom scene.
The law is specific, the law is precise.
Prayers spoken aloud are a serious vice.
For praying in a public hall
Might offend someone with no faith at all.
In silence alone we must meditate,
God's name is prohibited by the state.
We're allowed to cuss and dress like freaks,
And pierce our noses, tongues and cheeks.
They've outlawed guns, but FIRST the Bible.
To quote the Good Book makes me liable.
We can elect a pregnant Senior Queen,
And the 'unwed daddy,' our Senior King.
It's "inappropriate" to teach right from wrong,
We're taught that such "judgments" do not belong.
We can get our condoms and birth controls,
Study witchcraft, vampires and totem poles.
But the Ten Commandments are not allowed,
No word of God must reach this crowd.
It's scary here I must confess,
When chaos reigns the school's a mess.
So, Lord, this silent plea I make:
Should I be shot; My soul please take!
Amen
