Thank You

We want to thank everyone who helped with this weekend. Ronnie and Phyllis at Latimer made sure we had great meals for Saturday and Sunday morning. But we want to thank all the ladies who brought snacks, desserts, drinks, and waters. There would be some sugar starving kids (and adults) that wouldn't have made it. I know that there were a lot of snacks that were devoured. They were so delicious. Thank you to Kara Hurst, Rebecca Mullican and Kara Fuston for fixing soups and chili for Friday night. The kids enjoyed it so much.

We want to thank all the parents and grandparents who saw that the youth were able to attend and made sure they came prepared. You are to be commended for the young people you are raising and seeing that important weekends like this is something of value and make sure to plan so they can come.

Thank you to Steve Hillis and all those that started this 19 years ago. Without the idea and cultivation of so many throughout the years, this couldn't have happened.

Thank you to Aaron, who started organizing this weekend months ago and getting things started in motion. We had a great outline and base to start from so made it easier for us 1st time organizers.

Thank you to the parents and chaperones that helped this weekend. We couldn't have done it without you. J.D. Keele who was ready to go. Jessie Templeton and Amy Lawrence for teaching the girls breakout classes. Jared & Rebecca Mullican, for helping in so many ways. Plus, so many others that were there or got things together.

But we want to thank the Elders throughout the years especially. They see that this is a good work and allow us to organize this and help us out. Without your support and approval throughout all the years, SYR would never exist and we thank you.

Finally, we thank God for the ability to allow this weekend to happen and all the great things that happened. From all the friendships made to the learning of His Word, we could not have made it a success without Him.

What A Rememorable Weekend

What a wonderful weekend we had at Latimer Reservation for our 19th Annual Spring Youth Retreat. There was a mix of old SYR activities and new SYR events that may become great annual things. When Micah and Paul were getting the last finishing touches before we left, there was some little annoyances in getting everything together and Micah made the comment that it was the Devil trying to discourage all the good that was fixing to happen. And he was right, there was a lot of good things fixing to happen. We ended up having 53 people to stay the full weekend with many visitors coming and going.

There were many fun activities for the kids to do from Gaga ball, human Foosball, frisbee, flag football, to just sitting and enjoying each other. There were organized games for all to do from frozen t-shirts, marshmallow toss, Pictionary, plus many other games. There was even a game of Wheel of Fortune with Pat Sajak and Manna White.

Starting out Friday night, Paul began the weekend with a great lesson. Later on Friday night, during Bible Talk, the children were able to write down their fears anonymously, and these were discussed about how God could help overcome. On Saturday, Chris Perry and Brian Reed did an excellent job relating God's word with everyone there. So many examples of fears and how to overcome them with biblical examples, so just about any situ-

ation could be related to. Lights Out Singing on Saturday evening sounded so wonderful. Some kids didn't know the words to some of the songs, so the words were put on a T.V., but they were learning and joining in. Then Sunday morning we had worship and had a couple of people who are interested in being baptized and want to be talked to.

The pinnacle of the weekend was that around lunch on Saturday, Levi Jones was wanting to be baptized. Preparations were made so a group went to Midway church of Christ and was baptized. Then Sunday evening in services here at Bybee Branch, Conner Nunley came forward and was baptized. What a wonderful fruition of a youth retreat is having souls obeying the gospel and we are so happy for these young men.

Aaron text us earlier in the week wishing us good luck and was letting us know that we can run on little to no sleep, and boy was he right. And although we are all physically tired, and some emotionally as well, it was so worth all the time and effort pushed forth. Bringing souls to Christ was our primary goal and we accomplished that. And we know that there are more that are so close and are considering becoming a Christian and we want you to know that we are here for you and overcome any fear you have of becoming a Christian. Remember you make the final vote, whose team to you want to be on?

Gospel Meeting at Bybee Branch

Our Gospel Meeting will begin in just four short weeks! Conducting our meeting again this year will be brother B.J. Clarke. Brother Clarke is the director of the Memphis School of Preaching and a very dynamic preacher of the Gospel. He appears frequently on the Gospel Broadcasting Network and conducts numerous Gospel Meetings each year.

Postcards to announce the meeting are on the table in the lobby. Be sure to pick up several to either hand or mail to your friends and family.
