Come Home

It's been a long time. COVID-19 and its many variants has disrupted our lives in so many ways for far too long. Many people have barely ventured out of their homes for the past two years. Businesses and individuals have suffered greatly due to the financial losses brought on by this plague. People have been lonely, depressed and discouraged. Yet, some of the greatest suffering has been to the mental and spiritual health of Christians.

Satan has persuaded many to live in fear of sickness and death. Is there a place to exercise caution regarding one's health? Absolutely. There is also an irrational fear that almost parallels the lazy man's fear. "The lazy man says, "There is a lion outside! I shall be slain in the streets!" (Proverbs 22:13).

God designed man to be a social creature. We need love and interaction with others. God designed the church to assemble together where we teach and admonish one another (Hebrews 10:24-25; Colossians 3:15-16). Sadly, many are missing this time of spiritual encouragement.

May I plead with you to "come home?" The infection rate for COVID-19 has dropped dramatically. The state website shows very few cases now in Warren County. If you feel you need an extra measure of protection, please wear a N95 mask, wash your hands, and practice social distancing. But, it's time to come home. We need you! You need us. We need one another! I hope to see you at worship this Sunday.
