NEWS & NOTES . . .

SECRETARY EMPLOYED. As was announced by our Elders last Sunday evening, Judy Ramsey will be working as a part-time secretary for the church at Bybee Branch. She will be in the office from 9:30 a.m. till 12:00 noon, Monday - Friday, under normal circumstances. It will be very helpful to us if you would call in any information that needs to be in the bulletin by 12:00 noon on Tuesday. Judy worked as an office secretary before we were married, and for five years thereafter. I know she will be a fine asset to our work. (She'll also be able to keep me in line better!!) ---Glenn

\*\*\*\*\*

GIFT TEA. All the ladies of the congregation are invited to a Gift Tea honoring Brandi Michelle Wilcher, baby daughter of Steve and Jane Wilcher. The event will be on Sunday, January 8, from 2:00 - 3:00 p.m. at the fellowship room of the church building.

\*\*\*\*\*

SICK: Sis. Ada Tramel suffered a broken hip in a fall last week. She had surgery last Sunday (1/1) at Riverpark Hospital to correct it.

Sis. Posy Mullican is in Riverpark Hospital. She had additional surgery this past week.

Sis. Veta Hardcastle is in Riverpark Hospital.

Sis. Violet Webb continues at home. She is somewhat improved, but as of yet unable to be out.

Bro. James Cantrell is now home after a stay in the hospital.

Bro. Lloyd Foster continues at home. He is some better.

Sis. Pauline Greene is in Vanderbilt Hospital where she underwent surgery this past week. She expects to be able to come home by Friday of this week.

Bro. Peyton Greene has been worse lately.

Bro. Hobert Griffith was able to be at worship services last Sunday.

Sis. Katherine Bennett was able to be at services last Sunday also.

Bro. Gerald Fults continues at Vanderbilt Hospital. He is about the same.

Bro. Noel Foster continues at home. He is still unable to be out.

Michael Griffith was sick this past Sunday.

Getting off to a good start in 1984, we had 405 for Sunday morning worship! Let's keep up this good work. We can average over this number if everyone will come who should. We know of many people and families who were absent last Sunday who were sick and unable to come. We should pray continually that these be restored to health and again be able to be with the church---as surely they want. It is disappointing to see several who do not stay for Bible classes. When people can ride around for two or more hours in a car but can't sit in a comfortable auditorium for two hours in worship and study, something just doesn't add up! Let's all work on this. We should have 350 for Bible classes each Sunday morning.

The budget proposed by our Elders is easily within our means. I know of congregations that have 1/2 of our attendance who give more than we do! AND they are not any more wealthy, nor blessed than we are! Are you doing your share? Let's study our giving, and give as we are being prospered by God.

The prospects for growth in all areas are really great for us at Bybee Branch. Yet this growth depends on each one of us doing the best he/she can, where ever he may be with whatever he has! ---Glenn

\*\*\*\*\*

NOTE ON CHURCH DIRECTORY. Progress is being made on the church directory. We should be receiving the proof of the directory within a few days. Then after any corrections we make it will be returned to the publisher and we can then expect it back to us in printed form within 45 days! It should be worth waiting for.

-----

ISN'T IT FUNNY ? ? ? ! ! !

Funny how reading the church bulletin is a chore, but reading a 30 page newspaper every day is a habit you have grown to enjoy.

Funny how people scramble to get a FRONT seat at a ball game, but scramble to get a BACK seat at services.

Funny that parents are so concerned about school lessons but are completely unconcerned about Bible lessons.

All of this would be funny . . . . if it weren't so tragic!

## NEWS & NOTES . . . .

Those Who Are Sick: Many of our number have been sick for various reasons during the past few days. We are listing those that we know about.

Sis. Bessie Lee Case suffered a fall last week that confined her to her home for a few days. Bro. Jim Case was sick and unable to be out at worship last Sunday. Bro. Noel Foster continues to be about the same. He is at home. Bro. Lloyd Foster also continues at home and is improving somewhat. Sis. Veta Hardcastle was able to go home from the hospital last week. Sis. Pauline Greene is now home following surgery in a Nashville Hospital. Bro. Peyton Greene is reported to be better. Sis. Missy Hendrixson spent a day or two in the local hospital this week, but is home now. Sis. Lula Woodlee was unable to be at worship last week. Bro. David Conner had surgery at Vanderbilt this past week, but was able to be at the worship services Sunday. Sis. Violet Webb was able to be at worship last week following several weeks of sickness. Bro. Oliver Warren is in Hospital in Murfreesboro. He is not doing well. Sis. Laura Bouldin was unable to be at services last week. Sis. Otie Harris continues at home; she is about the same. Sis. Catherine Flatt is sick at home and unable to be out. Bro. Gerald Fults continues at Vanderbilt. He is about the same. Sis. Ada Tramel is in Riverpark Hospital. She is improving from surgery. Sis. Posy Mullican was to have surgery Wednesday (1/11). She is in Riverpark. Sis. Mary Ellen Cook, Mother of Gennean Black, is to have surgery this week at Riverpark. Randy Davis was sick this past week. Sis. Kathy Thaxton's Mother, Mrs. Noreen Raper, is in the Cookeville General Hospital. Bro. Perry Gribble, the Grandfather of Sis. Patsy Bolding, is in the local hospital.

Let us remember to pray for the sick and their families. A visit or card when appropriate would be a great deed.

\*\*\*\*\*

SYMPATHY: We express our sympathy to the family of Jackie Knight whose funeral was held last week. She was the daughter of our Hallie Knight, and a relative of others in the congregation here. Jackie died as the result of an automobile accident.

\*\*\*\*\*

SYMPATHY: All of us are saddened with the passing of Bro. Elijah (Lidge) Martin. Bro. Martin was a native of Warren County and had preached the Gospel for two or more generations! He was respected by a great host of people in the Lord's church in this area. He had been quite ill for several months. We rejoice in the hope that such a soldier of the Cross has.

\*\*\*\*\*

## DON'T GIVE UP

A lady in the church who invited her neighbor to go to services with her, kept count of the times the neighbor refused. It came to forty-nine. She pleasantly mentioned the count to her friend as she issued her fiftieth invitation at the time of a special meeting. At first the friend declined again but later called and said she would go. "If you are interested enough in me to ask me fifty times to go, I will go with you and see what it is like. She went out and liked what she saw. She returned and she was converted---all because someone did not give up too soon.

---Jerry Cantrell  
Cocoa, FL

Editor's Note: The above recorded incident reflects on the power of persistence. How many friends, neighbors, relatives, etc. do you have that you have "given up on"? Surely you are able to ask them just once more! When we consider the value of a soul and the need of the unsaved for the Savior we cannot do less than at least ask them to come and see.

But maybe the proper answer to the question "why do we not ask again?" lies in ourselves. If we are not faithful ourselves we could scarcely be expected to invite others to services! If you ask someone to come and when he comes you are not there---what will he say or think?

Each of us has opportunities each day to encourage the indifferent and unthinking to become interested in spiritual things. If we do not encourage them or prompt them they may well remain as they are---and we all may be lost. They will be lost for their indifference to the Way. We will be lost because we did not tell them of the Way! Either way one is just as lost as the other. Think about it!

Floyd Harris fell and suffered broken bones, but he is at home now. Sis. Otie Harris continues at home, about the same.

\*\*\*\*\*  
Congratulations: To Fate Cantrell and Perlene Clark. They were married last Saturday, January 14. We wish them well in their life together.  
\*\*\*\*\*

Attention: All Elders & Deacons . . . The monthly meeting of Elders, Deacons and Preacher will be January 23 at 7:00 p. m.

-----  
THANK YOU NOTES: We have received thank you notes from:  
The Family of Jackie Knight, and from Mrs. Clifton Wanamaker.

These notes are on the bulletin board. We intend to list these notes in the bulletin each week and then post them on the bulletin board, beginning this week.

WINTER WEATHER..... Again this Wednesday as this bulletin is being prepared it is obviously winter time. Last week on Wednesday our attendance was far below our potential, due to a large degree on the icy road conditions. The roads will probably be hazardous tonight also. We hope everyone who can will come, but that all will exercise extreme care in driving, and in walking.

\*\*\*\*\*

THANK YOU . . . for your encouraging compliments on the sermons presented last Sunday. Your love for the truth is exciting to me as a preacher of the Gospel. Several of you asked for tapes of these sermons. Again, the tape duplicator is being repaired. Please be patient and I'll get the tapes to you as soon as possible.

## TEN COMMANDMENTS FOR IMPROVING THE WORSHIP SERVICE via Preston Rd. Bulletin, Dallas, Texas

1. Make Sunday Worship a Priority. It is the most important commitment of the week. It is nothing less than a "meeting with God."
2. Don't Bring God Left-Overs. God has always demanded the "first fruits." He cannot be satisfied with scraps. Get plenty of sleep on Saturday night and come to worship with an alert and refreshed mind.
3. Prepare Your Mind. Discipline begins in the mind. So does discipleship. Train your mind to concentrate on things of the spirit.
4. Be On Time. Rushing in late makes it difficult for you to settle into meditation and disturbs other worshippers. Get up a little earlier if necessary.
5. Bring Your Bibles. Coming to worship without your Bible is like going out to drive your car without the keys.
6. Open Your Mouth And Sing. Singing is not an option. It is a command. Those who violate this command are just as guilty as if they neglected the assembly in the first place.
7. Sit Close To The Front. Experience has shown that some marginal church members would rather switch congregations than change pews. Research indicates that the level of emotion and mental participation decreases as one moves closer to the back.
8. Before and After The Service---Be Friendly. Worship is enhanced when done as a family. Family members should know and love one another.
9. Listen Carefully to the Sermon. This will show non-Christians that we are serious. It will help you.
10. Make Your Worship God-Centered, Not Man-Centered!

This item translated from a Dutch magazine shows that families are pretty much the same the world over:  
4 YEARS: My Daddy can do anything.  
7 YEARS: My Dad knows a lot...a whole lot.  
8 YEARS: My father doesn't know quite everything.  
12 YEARS: Oh, well, naturally Father doesn't know that either.  
14 YEARS: Father? Hopelessly old-fashioned!  
21 YEARS: Oh, that man is out of date; what did you expect?  
25 YEARS: He knows a little bit about it, but not much.  
30 YEARS: Must find out what Dad thinks about it.  
35 YEARS: A little patience; let's get Dad's meaning first.  
50 YEARS: What would Dad have thought about that?  
60 YEARS: My Dad knew literally everything.

THANKS FOR A "SUPER" JOB: Many were the compliments paid our young men who did such an excellent job in leading us in our worship service last Sunday evening. We were able to see the talent and interest of several of our young men. These fifth Sunday evening services are truly the result of great interest on the part of our young people who are willing to train themselves for service in our Lord's Kingdom. We thank these young men, and are really looking forward to the next fifth Sunday evening.

## Not As Good As It Sounds . . .

A reporter was interviewing an old man who was celebrating his 100th birthday. "What are you most proud of?" he asked.

"Well," said the man, "I've lived 100 years and haven't an enemy in the world."

"What a beautiful thought. How truly inspirational," commented the reporter.

"Yes," added the centenarian, "outlived every last one of them."

Great Day Last Sunday: We enjoyed fine winter weather, although it was cold---but February in Tennessee usually is! We had good attendance and our contribution was over the budget again. Let us all resolve to do our very best, personally, to carry our share of the responsibility in this part of the Lord's Kingdom. We can do it! Our Lord promises His blessings when we try---He has never failed to do what He promised! Let's work to push our attendance over the 400 mark---soon! Will you do YOUR part?

\*\*\*\*

BE SURE TO READ THIS ARTICLE . . .

Something Great's Going To Happen!  
by Tom Bonner; via Corvallis, OR

How has your day been thus far? Your shoestrings broke as you were dressing; your child spilled the milk at the breakfast table; the car wouldn't start; the boss got on your case about a particular project; etc.; etc.; etc.! Do incidents such as those mentioned cause you to feel/or say, "What a rotten day!"

(continued on page 3)

I'll have to admit I too often allow circumstances to dictate what kind of day I'll have rather than allowing everything that happens to focus my attention more intently on God. My feeling often is that "people and circumstances have made this a no-good, horrible, rotten, nasty, terribly bad day." How terribly wasteful!

The psalmist declares, in Psalm 118:24, "This is the day the Lord has made; let us rejoice and be glad in it." That is a matter of decision on our parts, as shown by the words, "let us".

If, each day as we awaken, we can say and truly mean, "Thank you, Lord, for this day and the opportunity it offers for glorifying you," it will do much toward determining how we react to broken shoe strings, rainy weather, hurt feelings, and all the rest.

Someone has suggested that it is we as individuals who must give others permission to "rain on our parade." If we don't want their rain, it can be transformed into something positive rather than negative. And for Christians, who have the advantage of the promise that "all things work together for good" (Rom. 8:28), we can see the rainbow through the rain, if we'll but look.

We here have much to be thankful for, and to look forward to. Today let us rejoice in what God has done, and be anticipating what He will do tomorrow. In short, we need to get the focus off of selves, always, and focus on God and his loving power. Ralph Waldo Emerson, I believe, wrote, "What lies behind us and what lies before us are but tiny matters compared to what lies within us." When that which lies "within us" is the power of God and His promises, then look out world! Something great is going to happen today!!!

SHOEMAKER, SIDELINE BUSINESS. . . . .

What attention we as God's servants need to give matters that pertain to our lives on the earth can best be understood by the old Boston shoemaker's statement. His business or occupation, said he, "is only my sideline to pay the expenses of my business of serving the Lord."

## SECOND ANNUAL GOSPEL SINGING

WHICH IS WORSE, AN ATHEIST OR A (professing) CHRISTIAN?  
via Christian Clarion

1. One who does not believe in God or one who believes in Him, but does not serve Him?
2. One who does not believe the Bible, or one who does but never reads it?
3. One who does not believe in prayer, or one who does but never prays?
4. One who does not believe in the church, or one who believes, but never attends, does not support it regularly, does not pray for it and very often criticizes it?

WHO is worse? You answer this one!

In Riverpark Hospital: Bro. Morris Griffith is in the Riverpark Hospital undergoing tests and treatments. He entered the hospital this morning (February 15).

\*\*\*\*\*

BOOK IN LIBRARY: The book, Studies in Hebrews, edited by Dub McClish (this book is a copy of the second annual Denton, Texas, Lectureship) has been placed in the church library in memory of Bro. Oliver Warren. We know you will want to read this book. It is a fitting tribute to a fine Christian man as was Bro. Warren.

## THE DEVIL'S BEATITUDES

BLESSED are they who are too tired and busy to go to church on Sunday; for they are my best workers.

Blessed are they who are bored by the minister's mannerisms and mistakes; for they get nothing out of the sermon.

Blessed is the church member who expects to be invited to his own church; for he is an important member to me.

Blessed are they who do not get to church on Sunday evening for they cause the world to say, "The church is failing."

Blessed are they who gossip, for they cause strife and divisions which please me much.

Blessed are they who are easily offended, for they will get angry and quit.

Blessed are they who do not give liberally of their means to carry on God's work and missions; they are my helpers.

Blessed is he who professes to love God but hates his brother for he shall be with me forever.

Baptism: Sunday morning, David Maynard confessed his faith in Jesus as the Son of God and was baptized for the remission of his sins. We rejoice in his decision to obey our Lord. We pray that his life in Christ may be long and profitable---which it will as he walks faithfully with our Redeemer.

It is always wonderful to see the strength and concern of fellow members of the Lord's family who will correct errors in their lives as our Lord wills. We rejoice with them and pray that others may "do likewise."

SECOND ANNUAL GOSPEL SINGING: This Friday evening, Feb. 24th, at the Morrison church of Christ. Beginning time is 7:00 p. m. All are invited to attend. Last year hundreds came from miles around. ## A WORTHY TEXT

A young Christian, packing his bag for a journey, said to a friend, "I am nearly finished packing. I only have to put in a guide book, a lamp, a mirror, a telescope, a volume of poetry, a few biographies, a package of old letters, a book of songs, a sword, a hammer, and a set of books I have been studying."

"But you cannot put all that into your bag," objected the friend. "Oh, yes," said the young Christian. "Here it is," and he placed his Bible in the corner of the suitcase and closed the lid!

There is overwhelming evidence that one of the most urgent needs of our day is to study our Bibles. And, when we appreciate the Bible as did this young Christian, we will have a much deeper appreciation for its worth. If you like history, love stories, science, adventure, geography, mystery, poetry, ethics, how to make friends and influence people, how to be a better companion, parent, child, employer, employee, teacher, student, social worker, servant, master, and the list goes on and on . . . then let your Bible be your major text book.

This is the only book that can safely guide us through a most difficult time in the history of mankind. We need to remember the "IF and then" of John 8:31f, "If you continue in my word, then you are my disciples indeed; and ye shall know the truth, and the truth shall make you free."

...Paul Smith  
Lakewood, CO

## EMPTY FAUCETS

When Lawrence of Arabia was in Paris after World War I with some of his Arab friends, he showed them the sights of the city: the Arc de Triomphe, Louvere, Napoleon's Tomb, etc; but none of these things impressed them. The thing that really interested his friends was the faucet in the bathtub in their hotel room. They spent much time turning it on and off. They found it amazing that by turning a handle, one could get all the water he wanted.

(continued on page 3)

## EMPTY FAUCETS (continued from page 2)

Later, when they were ready to leave Paris and return to Arabia, Lawrence found them in the bathtub with wrenches trying to disconnect the faucet. "What we need are faucets. If we have them, we will have all the water we want." Lawrence had to explain that the effectiveness of the faucets did not lie in themselves, but in the immense reservoirs of water to which they were attached.

The lives of many Christians are as dry as the Arabian deserts. They have the faucets, but there is no connection to the Living Water who enables us to share with others the life we first received from Him. Jesus said, "I am the true vine...Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine, no more can you, except you abide in me. I am the vine, and you are the branches. He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing" (John 15:1-5).

What can you do without living and abiding in Christ? Nothing! You may even go through the motions of good works and men may call you faithful and fruitful, but everything you do apart from Him "profiteth nothing" (John 6:63). Are you attached to the only source that can make you fruitful and your life worthwhile?

We are all faucets. Christians should be faucets of God's love. But, unless we are attached to the reservoir of God's love, Jesus the Christ, we are only empty faucets.

Bro. Gerald Fults is in Riverpark Hospital. His condition is again stable.

\* \* \* \* \*

REMEMBER OUR GOSPEL MEETING: Just about three weeks from now Bro. Thomas Eaves will be with us to preach the Gospel for one week. If each family of the congregation will plan to be present for each service and will make the proper effort to encourage one another and someone who is not a member of the Lord's church, the seed will be planted and the harvest will follow! Are you committed to this great task?

\*\*\*\*\*

IS YOUR ENGINE MISSING?

I do not mean by the above, is your engine lost or stolen. I'm referring to the motor of your car! Is it running smoothly, or is it hesitating and skipping (missing)?

Beware! Even though you can still drive while the engine misses, there will be limited power, increased fuel cost, and also much frustration!

I've noticed the same with Christians who are missing! If you tend to hesitate and skip when it comes to assemblies, classes, and activities, you are probably also irregular in your praying, studying, and serving. So, don't be surprised if you have limited power to handle trials and temptations, or if life increasingly costs you joy, or if being faithful becomes frustrating!

"Let us hold fast the confession of our hope without wavering, for He who promised is faithful, and let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more, as you see the day drawing near." (Heb. 10:23-25).

(Suggestion: In looking through the directory if you find a family or a person who has been absent of late---call him/her; or go see what is the matter!)

## HOW LONG IS ETERNITY?

I saw the following interesting little statistic the other day: one billion matches end to end will reach across the U.S. from the Pacific to the Atlantic Ocean. If you had been living at Jesus' birth and had spent \$1000 every day since that time, out of a billion dollars you would have enough money left to continue for 700 more years. If an airplane flies at 400 mph for one year, the propeller hasn't turned nearly one billion times.

I don't know who took the time to figure THOSE statistics up, but one thing I know---one billion years will not be the first morning of the first day of eternity. Where do you plan to spend it?

"And if any was not found in the book of life, he was cast into the lake of fire" (Revelation 20:15).

SYMPATHY:

Several of our families have been touched with the passing of some of their number recently. We are listing them:

Walter Blanks of Seminole, Oklahoma, was buried 3/15. He was a brother of Sisters Mildred Biles and Belle Young.

Mrs. Mae Faircloth, Stepdaughter of Sis. Belle Young, was buried March 22. Mrs. Faircloth died in an automobile accident.

Sis. Eva Christian, Sister of Sis. Lela Smith was buried April 1, 1984.

Mr. Ernest Bratten, Brother-in-law to Sis. Lena Bratten passed away this past week in California. His funeral will be April 5. McMinnville Funeral Home is in Charge.

\*\*\*\*\*

THE GOSPEL MEETING HERE AT BYBEE BRANCH continues with good interest at this writing. Bro. Thomas Eaves will be with us through Friday, April 6. His lessons have been well received. They are excellent presentations of the Way of the Cross. Bro. and Sis. Eaves are fine Christians. All here are enjoying their work with us. Several of our number are cheating themselves and their families by not being at each service. It seems that the more a child of God needs these spiritually enriching lessons, the less that child of God seems to know it; and the less that particular person makes the effort to know! Let us all pray for the weak that they will be awakened to their needs. Let's all encourage everyone to partake and to grow in grace.

\*\*\*\*\*

REPORT ON AUSTINVILLE MEETING: The meeting at the Austinville church of Christ in Decatur, Alabama, was very encouraging. I found the church there to be alive and strong in the way of the Lord. Four were restored during the meeting. My next meeting is with the Park Avenue church in Indianapolis, Indiana, April 11 - 15. Pray for each effort that is put forth to proclaim the Word of God.

## MEETING REPORT . . .

The Gospel Meeting at Bybee Branch this past week was one of the greatest! There were several factors that contributed to its success.

1. The Gospel was preached. Bro. Eaves did a superb job in proclaiming the Way of the Lord. The lessons were pertinent to the needs of God's people. The lessons showed the difference between truth and error, between sin and righteousness. Many were heard to say, "That's the way we used to hear the Gospel preached!" I consider that a tremendous compliment to Bro. Eaves work! We thank him for his efforts. Sis. Pat Eaves was able to come and be with us during the meeting. She enhances everything that Thomas does!

2. We had fine support of our efforts from those at Bybee Branch and from many visitors at each service. We averaged 298 in attendance for the eight services. This was the best attended meeting here during the last eight years. This speaks well of the concern of the Christians here as well as for the visiting preacher.

3. Several responded to the Lord's invitation at the public services. Eight were restored. One was baptized. All were edified and built up! We thank God for the power of His Word in changing the lives of men and women, boys and girls, in an uplifting way.

4. We should thankfully use this meeting as a real revival incentive. Let us not slack off in our efforts to be what God wants us to be, and to insist that all our friends go in God's direction! Let us thank God for His blessings, and look forward to His continued blessing upon us as we walk in His Way.

NEWS & NOTES . . .

BAPTIZED: We rejoice that two of our young people were recently baptized into Christ. Lori Wilcher was baptized April 10. Sidney Groves was Baptized April 15. You remember that Jennifer Huntley was baptized during our recent meeting. We hope that other of our teenagers who are not Christians will soon respond to our Lord by obeying His gospel.

General Quarterly Business Meeting: April 25 following evening services. All men are urged to attend.

Placed Membership: Sis. Sarah Parker has placed membership with the church here. We rejoice to have her.

Short Mountain Bible Camp: The first session, the one that most of our youngsters attend, will be June 10-15. Application forms are available. Be sure to get one and register as soon as possible.

Spring Youth Retreat: at Short Mountain Camp, April 27 & 28. See details on bulletin board.

Gospel Meeting: We want to emphasize the gospel meeting that will be conducted at the Beersheba Springs church building April 29 - May 1. Bro. Lynwood Mathis will be preaching. We hope to have many of Bybee members go on Monday evening. Several of our men are doing a fine job in helping these brethren and sisters at Beersheba and we can help them by praying for the meeting and also attending!

Vacation Bible School: Our VBS dates are June 18 - 22. We hope everyone will plan their activities so that all our young people can attend. We will be having a teachers' meeting soon to get all these details finalized.

Sick: Bro. Lloyd Foster continues at St. Thomas hospital in Nashville. He may be some better. Sis. Nora Dillehay has been sick for the past several days. The following are still shut in due to illness: Noel Foster, Velma Bennett, Genira Barrett, Otie Harris, Peyton Greene, Gerald Fults. Brethren Peyton and Gerald are in local Health Care facilities. Bro. Floyd Harris was not so well recently, but is better now. Others who have been ill are improved. Pray for the sick.

"Way of Truth Program" It will be my turn to speak on the "Way of Truth" Radio program April 23 - 27. The program is heard at 4:30 p.m. over WBMC. Tell your friends and neighbors to listen!

\*\*\*\*\*

RELIGIOUS DEBATE: April 23 - 26 the question of church cooperation and support of orphan homes will be the issue of discussion between Roy Deaver and J. T. Smith. Bro. Smith will contend that it is sinful to support an orphan home from the church treasury, or that it is wrong for various churches to cooperate in efforts to preach the gospel by giving their funds to a sponsoring congregation. Bro. Deaver will deny this.

The discussion will be held nightly beginning at 7:30 at the Gainesboro church of Christ building. Your time would be well spent in attending this event.

TENNESSEE BIBLE COLLEGE LECTURES: One important part of this lectureship series this year will be the teacher workshop conducted on Thursday and Friday evenings, May 3 and 4. A group of Christians from the Madison church of Christ will be conducting these classes for teachers. Emphasis will be on the various age groups, and you will have a choice as to which group you study with. If enough interest is shown by our teachers we may take the bus to provide transportation.

THANKS TO EVERYONE..... It is difficult for us here at the church office (Judy and I) to keep up with all the good activities that so many of you are constantly engaged in. Truly everyone has such a fine spirit of work and service. Surely all of us are thankful for each and every one that does good things for the glory of God and to bring honor on His church. Nothing that a person does in the Kingdom is a small thing when properly measured. A small thing (giving a drink of water to a thirsty soul) is a great thing when done in the name of Christ! May we all be renewed with a determination to continue faithfully in His Way.

TAPE REQUESTS: Still we are working on the tapes that so many requested recently. We hope to have those by Sunday. Thanks for your patience.

Have You Thought About Your Soul??

Have you ever stopped to wonder,

What this life is all about?

Why you're here and where you're going,

When your lease on time runs out?

Maybe you've been far too busy,

Trying hard to reach your goal;

Would you let me ask you kindly,

Have you thought about your soul?

You may reach the highest portals,

And your dreams may all come true;

Wealth and fame may be your portion,

And success may shine on you,

All your friends may sing your praises,

Not a care on you may roll;

What about the great tomorrow---

Have you thought about your soul?

Don't forget your days are numbered,

Though you may be ridin' high;

But like all of us poor mortals,

Someday you'll just up and die.

Your success and fame and glory

Won't be worth the bell they toll;

Let me ask you just one question

Have you thought about your soul?

If you've never thought it over,

Spend a little time today;

There is nothing more important,

That will ever come your way,

Than the joy of sins forgiven,

And to know you've been made whole,

In the name of Christ the Savior,

Have you thought about your soul?

\*\*\*\*\*

Take care that the face which looks out from your mirror in the morning is a pleasant one...You may not see it again all day, but others will!

NEWS & NOTES . . .

In Sympathy: The whole family here at Bybee Branch was saddened this week with the passing of SIS. OTIE HARRIS. Her funeral service was held May 2, at 11:00 a.m. from High's Funeral Home. Sis. Harris was loved and respected by all who knew her. She and Bro. Floyd had been married for 63 years. She was 88. She had been a child of God since she was a young girl. We rejoice in the good life that she lived and the hope that we have of seeing her again in the land beyond this veil of tears. We offer our heart-felt sympathy to this family. We pray that the comfort of God's Word may sustain them.

FOURTH ANNUAL LECTURESHIP at Tennessee Bible College

May 2 - 5, 1984

I hope many of you are planning to attend at least some sessions of this lectureship. The lectures will be conducted in the Northeast church building located on Grandview Drive just off Highway 70 East, in Cookeville.

Many of our teachers plan to attend the Thursday evening session. I hope many more will attend on Friday evening also. Any time spent will be well used. Following is a listing of men who will be speaking at various times: Steve Riley, Demar Elam, James Jones, Roy Deaver, Robert Taylor, Jerrie Barber, Larry Acuff, Francis Williams, Roger MacKenzie, Lexie Ray, J. Noel Meredith, Jim Lewis, Bob Spurlin, and Thomas Eaves.

I have the privilege of speaking on the subject, "Contending for Godly Homes" on Thursday, May 3, at 1:30pm. This is an opportunity to listen to the theme, "Contending earnestly for the Faith..." (Jude 3). Why not make it a point to spend some time with your family at a truly great SPIRITUAL feast!

WHAT IS A SQUARE?

Everybody knows a few squares. I know one. He is that strong, polite young fellow who admits freely that he prays, weeps for joy, who likes little children, kisses his mother and goes to his dad to ask advice. He enjoys the old folks, and blushes . . . He wears blue jeans that he can bend in (modest dress is required of boys, too). He cuts his hair, likes school, cannot imitate Elvis Presley, avoids dirty jokes about sex, goes to church, drinks milk, drives 30 miles per hour in a 30 MPH zone, will not smoke or dance, and expects purity in girls..... As a result of his odd behavior he suffers loss of gang companionship; BUT he gains gratitude of his parents, his family's respect, school honors, unjaded imagination, spiritual security, physical soundness, his country's salute, and a clean conscience. He's a square all right, BUT I LIKE HIM!

## TEN COMMANDMENTS OF THE SOCIAL GOSPEL-----

- (1) Thou shalt preach only on the pleasant subjects, never on anything that would offend.
- (2) Thou shalt make parties and entertainment a routine work of the church for many are converted by this means.
- (3) Thou shalt never correct a brother when he sins, but always ignore the fact; correction brings hard feelings.
- (4) Thou shalt not withdraw fellowship from an impenitent brother, for this would cause confusion in the congregation.
- (5) Thou shalt always be on buddy-buddy-and-backslapping terms with everyone so non-Christians will assume that membership in the body of Christ involves nothing but fun and games.
- (6) Thou shalt do everything possible to make the church popular in the world.
- (7) Thou shalt have your preacher spend his time gabbing with town-folk rather than studying the Word of God.
- (8) Thou shalt remember thy responsibility to royally entertain the young people, in order to keep them in the church.
- (9) Thou shalt always follow the pattern of denominations, for its success proves it to be tried and true.
- (10) Thou shalt never preach the truth on church problems during a gospel meeting; non-christians might get the notion there is some disunity.

HOW SIN DECEIVES

by Bobby Dockery; Fayetteville, Arkansas

"...exhort one another daily . . . lest any of you be hardened through the deceitfulness of sin" (Hebrews 3:13).

Sin is a deceiver. It pictures itself as being one thing when it is actually something else altogether. The Bible pictures sin as a delusive cheat which is able to deceive and destroy souls. And so we are warned to be-ware of the "deceitfulness of sin." Notice some ways in which sin disguises itself for the purposes of deception.

1. Sin Deceives By Minimizing. Sin attempts to make a mask out of smallness. Sin pictures itself as "such a little thing," and it whispers that "a little bit" of sin never hurt anyone. Sin pleads for you to enjoy its pleasures for "just a little while", and then for "just a little longer."
2. Sin Deceives By Rationalizing. The word "rationalize" is defined by the dictionary as: "to find excuses for one's desires." Through rationalization sin tries to explain itself away with such excuses as "everybody does it," or "this is not really wrong." Satan insists that times change and that moral standards must change with the times. But God declares: "Woe unto them that call evil good, and good evil.." (Isa. 5:20).
3. Sin Deceives By Glamorizing. J. B. Philip's Paraphrase of the New Testament gives this translation of Hebrews 3:13: "Beware that none of you becomes deaf and blind through the delusive glamour of sin." Satan paints a glowing picture of life in sin as one filled with glamour, excitement, and fun. But the word of God warns that the supposed pleasures of sin are seasonal, lasting but for a moment in comparison to never-ending eternity. (Hebrews 11:25).
4. Sin Deceives By Paralyzing. One of the most terrifying characteristics of sin is the hypnotic spell which it casts. Sin holds a strange fascination over the sinner which can paralyze his will and mind. If persisted in, sin can actually gain such a stranglehold over an individual that it becomes impossible for him to escape. (See Hebrews 6:4-5).

"Beware...lest any of you"

32,850 SERMONS LATER . . . .

Several years ago, a reader of the BRITISH WEEKLY wrote this letter to the editor:

"Dear Sir: It seems that Ministers think that their sermons are very important and spend a great deal of time preparing them. I have been attending a church service quite regularly for the past 30 years and I have probably heard 3,000 of them. To my consternation I discovered that I cannot remember a single sermon. I wonder if a Minister's time might be more profitably spent on something else?"

For weeks a real storm of editorial responses ensued... the uproar finally ended by this letter:

"Dear Sir: .... I have been married 30 years. During that time I have eaten 32,850 meals---mostly my wife's cooking. Suddenly, I have discovered that I cannot remember the menu of a single meal. And yet, I received nourishment from every single one of them. I have the distinct impression that without them I would have starved to death long ago." Sincerely, .....

NEWS & NOTES . . .

Congratulations: Another of our fine young ladies, Sis. Sheila Biles graduates from Tennessee Technological University with a degree in Business. She is a very fine young Christian. We congratulate her and wish that she may have the best that life can offer.

REMEMBER: Our Vacation Bible School will be June 18 - 22, from 9 - 11 a. m.

GOSPEL MEETINGS IN AREA: Bonner church of Christ, June 7 - 10; 7:30 p.m. Edward L. Anderson, preacher.

West Riverside church of Christ: through June 8, Curtis Sampley, preaching. 7:30 p.m.

Bethany church of Christ, through June 7, 7:00 p.m. James Harris, preacher.

The meeting at Double Springs in Putnam County will conclude with the p.m. service June 8. My family and I are thoroughly enjoying being with that congregation. It is my home congregation (meaning the one I attended when I was a boy). Bro. Charles Lemons and Bro. Paul Wilmoth work together there as gospel preachers. Interest is very good. Pray for this effort and all others. I will certainly look forward to being back in the pulpit at Bybee Branch Sunday. The attendance last Sunday morning was not nearly what it should have been! Are we forgetting our obligation and privilege of such occasions of worship? What is the most important thing in our life? If our worship and service to God is the most important, such will be reflected in our regular, dependable attendance at all services. Many people are going to be judged guilty in that final Day because they have not obeyed Matthew 6:33: "But seek ye first . . ."

---Glenn

## NEWS & NOTES . . .

VBS REPORT: At this writing (Wednesday afternoon) two more sessions of vacation Bible school remain for the year 1984! This has been a pleasant school. The young people are just fine. Our teachers are doing a splendid work. We believe that lasting impressions are being made on our young people.

GOSPEL MEETING REPORT: At this same time (through Friday evening) the meeting at Hebron church of Christ in White County, continues. I had preached for this church once before (1969). The congregation is very small, but some of the very finest Christians are members there. gbr

OTHER GOSPEL MEETINGS: Jericho church of Christ, Warren County, June 18 - 23; 7:30 p.m. David Leech, preacher. Blues Hill church of Christ, June 22 - 24, J.T. Marlin preacher.

Those Who Are Sick: Mildred Vaughan, a daughter of Sis. Mary Martin, is in Murfreesboro Hospital following recent surgery. Sis. Emma Parsley is in Knowles Hospital in Smithville. Bro. Dewey Cantrell was unable to be at services last Sunday due to illness.

We were glad to see Lynder Holmes, Katherine Bennett, and Judy Cook at services last week following hospital stays. Sis. Violet Webb has been back in services following a rather severe illness of recent weeks.

Our son, Chadwich Glenn, is confined to home due to a pretty good (bad) case of pneumonia. He is under the Doctor's care and is improving. We hope he will be much better by this week-end. Thanks to all of you for your concern with him.

Remember to pray for those who are ill and do what you can to help them.

Congratulations: Sis. Laura Bouldin will be 92 years young on Thursday, June 21. She is an inspiration to all of us. She can be counted on to be present when the saints meet if she is physically able---at all! Happy Birthday, "Miss Laura"! May you have many more!

\*\*\*\*\*

Sympathy: To Sis. Ruby Huntley whose nephew Mike Colwell was buried this past Monday in Smithville. He was killed while fighting a fire in Smithville. We extend our sympathy to this family.

Vacation Bible School and Gospel Meeting at Mt. Leo church of Christ, June 25 - 29. VBS classes from 9:30 - 11:45 am, and meeting sessions at 7:00 p.m. each night. I will have the opportunity to preach on Thursday evening. --Glenn

REPORT ON SHORE MOUNTAIN CAMP: Last week twenty-one (by my count) of our people from Bybee Branch were a part of the Bible camp! It was a very good week. We appreciate everyone who helped. Four young people were baptized during the course of the week. One of them was our own Julie Bost. We rejoice with Julie and the other young people who are now Christians. We believe that continuing good will result from these efforts to teach the Bible in a Christian atmosphere.

### Are You Evil Minded?

The evil minded person imagines evil, looks for evil, finds or thinks he finds evil. The evil minded person takes an innocent word or an innocent deed and gives it an evil interpretation. From the same lovely flower whence the bee draws sweetness, the spider draws poison. The insect is known by what it draws. When an insect draws sweetness, we know it is a bee; when an insect draws poison, we know it is a spider. From the lives of others do you draw sweetness---or do you draw poison? Are you a bee or a spider?

The Holy Spirit says, "Love thinketh no evil." It imagines no evil, it suspects no evil, it designs no evil. Love, then, thinks good. It imagines good things, suspects good things, designs good things.

Has simply not been spent;  
It's really an investment,  
And will yield a large per cent."

News & Notes . . .

Gospel Meeting: In progress at Mt. Leo this week, thru Friday June 29. Different speakers each evening. Glenn Ramsey will preach at the 7:00 service Thursday, June 28.

Sick: Sis. Clista Stiles, Mother of Sis. Helen Morgan, is now back at Helen's home after a stay in the hospital last week. She is improving.

Mr. Bernard Wenzel is in Warren General Hospital.

Chad Ramsey is now recovering nicely from a case of pneumonia. He spent one day in the Riverpark Hospital last week. Thank you all for your concern for his well-being. Let us all remember to be thankful to God for our fellow-Christians who are concerned with each other. Our prayers should always go to God's throne in petitions for those who are sick.

So far as we know those who are still shut-in of our number are fairing very well. Please let us know of any such changes in the health of folks so we can let the congregation know.

\*\*\*\*\*

Sis. Genira Barrett will celebrate her 90th Birthday on July 4. We congratulate her and wish her many more!

\*\*\*\*\*

SYMPATHY: Sis. Mattie Irene Turner, wife of Richard Turner, passed away suddenly yesterday. Her funeral will be at 3:00 p.m. at McMinnville Funeral Home on Wednesday (June 27).

Bro. & Sis. Turner often visited our services. They were members of the Bethany church of Christ.

\*\*\*\*\*

FOR YOUR MEDITATION:

"We don't have much right to complain about mistakes made by people who are doing the work we should be doing."

"Don't be content with being average. Average is as close to the bottom as it is to the top."

"Knowledge not improved and used well will increase our condemnation at the last day."

"If you expect to be gentle, gracious, lovable, and appreciated in your old age, you better start practicing now."

\*\*\*\*\*

BABY SHOWER: All ladies of the congregation are invited to a baby shower honoring Sis. Paula Johnston on Thursday June 28th at 7:00 p.m. in the fellowship room of the church building.

-----

PANTRY BARREL---FOOD BIN: Brethren Ken Martin and W.C. Chilton are in charge of the Benevolence Program for the church here. Since so many call requesting food, these Brethren have decided to let all, who will, help in providing it. You are asked to help by placing an item of food (non-perishable, canned, etc) in the barrel each week. Your choice! Please, no HOME CANNED foods. We all know that these are often the Best, but since the food is given to various people we cannot take the chance on someone becoming ill and blaming us! You might not know that some people who literally "beg" for our help would also just "jump" at the opportunity to blame us, or take legal action against us if they thought they could profit! Thanks to all who will help.

\* \* \* \* \*

Congratulations: To John and Pam (Cantrell) Green who were united in marriage in a very lovely ceremony here at the church building June 15th. They are now living in Byrdstown, Tennessee, where John is employed. Their address is: Rt. 1, Box 80A-6, Byrdstown, TN 38549.

\*\*\*\*\*

Vacation Bible School Report: This past week we completed a very enjoyable and profitable Vacation Bible School session. We had about our usual attendance. Our teachers were excellent. All the young people seemed to enjoy the school very much and were very well behaved. We express thanks to all who do did so much for the success of this effort.

-----

ICE CREAM SUPPER will follow Wednesday evening services this week (June 27). Please bring your favorite cream. Those who do not have ice-cream freezers are asked to bring cake, cookies, pies (especially Pecan!) and all such good things to eat. Be sure to be a part of this very enjoyable fellowship.

Gospel Meetings: A meeting is in progress through July 6th at the Hiawassee church of Christ. Services are at 7:00 p.m. Arthur Hullett is the preacher.

The Arlington church of Christ will host a gospel meeting July 8 - 13. Bro. James Boyd will be preaching. Services Sunday at 10:00 a.m., 11:00 a.m. and 6:00 p.m. Week night services at 7:30 p.m.

\*\*\*\*\*

Those Who Are Sick: Mr. Bernard Wenzell continues in Warren General Hospital recovering from recent surgery.

Sis. Bessie Parker is in Riverpark Hospital for tests.

Sis. Veta Hardcastle has been in Riverpark Hospital for several days.

Sis. Catherine Flatt will enter Parkview Hospital on Sunday, July 8. She will have surgery July 9th.

Sis. Emma Parsley was able to be back at services last Sunday after having a stay in DeKalb County Hospital.

As far as we know those who are still shut-in due to illness continue about the same. We suggest that anyone with information regarding the sick call the church office before noon each Tuesday so that this information can be included in the bulletin.

\*\*\*\*\*

Pantry Barrel: Already several of you have provided some item of canned goods for the benevolent program by placing it in the pantry barrel. Thank you. Let's remember to do this each week. Soon the supply will be such as to be of real help in meeting the requests we have for food.

\*\*\*\*\*

Attendance check system: A very simple system of finding out who is absent from worship services will be initiated next Sunday morning (July 8). Each family will be asked to fill out a card with the family name and include the street address or the route. If a family member is absent the one who fills out the card can note that person's name and the reason for his/her absence. This way our Elders can know of those who are absent and can be better able to assist the various needs of the church. We know that everyone will want to help! It'll take about 30 seconds---but we'll tell you more Sunday.

## "Never Intended To Quit..."

by Gus Nichols

A man who had not attended one service of the church in four years told me he had never thought of 'QUITTING' the church.

I reminded him that he had already 1) withdrawn his presence from the services, 2) refused to give his moral support to the activities of the congregation, 3) had withdrawn his financial support, for he had not given one dime to help carry on the Lord's work.

Then I asked, "What else would you have to do in order to 'quit' the church? In case you ever decide that you no longer desire to be a member, what other steps will be necessary for you to take? Just what else will be necessary to 'quit the church'?"

As his true status dawned upon him, his expression reflected his sober thoughts. He replied, "Why, brother Nichols, I've already quit, haven't I? Well, I surely didn't mean to. And I don't know when I did it . . . but I've quit the Lord and His church! I'll tell you right now---I'm coming back."

He did too. At the next service he was restored and three years later he was still faithful.

Dear reader, how about you? Have you quit the church and the Lord without resolving to do so? Perhaps no one deliberately decides to quit, while many carelessly drift into backsliding.

If you have 1) quit attending services, 2) quit boosting the program of activities planned by the elders, and 3) quit giving as God prospered you to enable the congregation to meet its budget---you NEED TO BE RESTORED!

\* \* \* \* \*

Editor's Note: Those who have half-quit need to be restored also! These are the ones who come spasmodically, give occasionally and who constantly must be prodded to be involved! (gbr)

David, July 7. He weighed 7 lbs. and 4 oz. Mother and Son are now at home and are doing great. (Dwaine is also much improved!).

SYMPATHY: We were saddened at the death of Sis. Mary Chandler on July 3. Her funeral was conducted July 5. Sis. Chandler was also a sister to our Sis. Essie Medley. Sis. Chandler had been ill for several months. She was 82 years old and had been a member of the Lord's church since she had been a teen-ager. We pray that God's blessings of comfort may be with this family.

Get ready to enjoy the fellowship and the melons!

Guess who furnishes the melons?

\*\*\*And the Preacher !!!

As the preacher I believe the melons should be larger if you're an Elder, the next largest if you're a deacon, and just reasonable otherwise!

Please, each Elder, Deacon, Preacher, bring one melon (one that you have properly chilled) Sunday evening. That will make enough for everyone to eat! If we run out, we'll blame whichever Elder, Deacon, etc. who did not come and or bring the melon!

## NEWS & NOTES . . .

This issue of the bulletin is being prepared one week before the mailing date. We will update the news items of the sick, etc. in the next issue.

Monday morning, July 16, Judy, Connie, Chad, and I will be traveling to North Carolina. We intend to visit several places of interest to us the first part of that week and visit with the Steve Short family in Statesville by about Wednesday. We will then travel on to Durham, North Carolina, where I will be preaching in a Gospel Meeting July 22 - 26. This meeting is with a very small band of Christians. The church at Silver Point, Tennessee, is providing for our expenses during this meeting. We will be coming back home, our Lord willing, July 27. We hope you all will pray for our safety and for the success of our efforts in preaching the Word of God. ---glenn

## DOUGH OR LEAVEN?

There are two facts concerning which there is no doubt. One is that Christianity made a tremendous impact upon the life of the first century world. It made the difference between B.C. and A.D. The second equally important fact is that this impact was made, no, not because the Christians were numerically superior to the pagans, for they were not. Nor was it made because the Christians were by worldly standards impressive. They made a unique impression on the first century world for one reason only: under God they were different.

The key to Christian effectiveness is not in numbers, whether few or many, because multiplying numbers does not necessarily result in more Christianity. One would have to ask what sort of members they are---just an echo of the world's voice or the voice of God in the world? Are they dough or leaven? This is why statistical methods applied to the church, though necessary and inevitable, are misleading. They are misleading because what one is trying to measure in Christianity cannot be measured. It is imponderable, a matter of spirit, attitude, motive, and life.

NEWS & NOTES . . .

It was really enjoyable to work with the church in Durham, North Carolina last week. My family was also able to go with me. I enjoyed that. The church in Durham is a very faithful congregation. They do not have a regular preacher working with them. It seems that they have a really great potential. I expect to hear good things from that congregation.

The meeting in Durham is the last meeting out-of-state that is on my schedule for the year. May I express appreciation and thanks to the several men who preach and teach in my absence. We are blessed with many who can do what has to be done, and do it in a splendid way!

## THE CHRISTIAN'S PURPOSE IN LIFE by Bobby Dockery

TO LIVE RIGHT . . . "Denying ungodliness, and worldly lusts, we should live soberly, righteously, and godly, in this present world" (Titus 2:12).

TO TALK RIGHT . . . "Let the words of my mouth and the meditation of my heart be acceptable in thy sight, O Lord, my strength and my redeemer" (Psalm 19:14).

TO THINK RIGHT . . . "Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you" (Philippians 4:8-9).

TO DO RIGHT . . . "Therefore all things whatsoever you would that men do to you, do ye even so to them; for this is the law and the prophets" (Matthew 7:12).

TO DIE RIGHT . . . "Let me die the death of the righteous and let my last end be like his" (Numbers 23:10).

"Blessed are the dead who die in the Lord . . ."  
(Revelation 14:13).

ALREADY??

Well, it's here again---the time when millions of kids go back to their little red schoolhouses---and the little-read books inside. . . When kids start to learn again and mothers start to live again . . . (Bob Orben)

Surely as the activities of late summer and fall cause everyone to terminate other "running to and fro" activity, we will see many of you back regular in your place at the worship activities of the church. Because we all have an obligation to God let us give diligence to put his Kingdom (church) first in our lives (Matt. 6:33). While everyone can find excuses for doing many things, we all should be concerned with "doing the will of the Father who is in Heaven" (Matt. 7:21).

Just exactly how are you going to improve your usefulness to the Lord's cause this year? Isn't it about time that you did something MORE for Him than you have been doing? Can we afford to be satisfied with our lack of service? Can we afford to be satisfied with just continuing like we have been for the last year or years of our life? Let's see the work we all can do! Give your suggestions to our Deacons, Elders or Preacher. We must ALL work together for the common Good. ---gbr

“Christ, Our Creed; the Bible, Our Guide”

News & Notes . . .

Year Nine . . .This week concludes eight years of our work together. But it seems only like yesterday that my family and I moved to Bybee Branch back in 1976! We have always been thankful to our Lord for the opportunity we have had since our being here.

The Lord has blessed our work together. We have seen tremendous advances for good in many areas. We certainly hope to see greater works for our Lord in future years. It is always possible to work harder and accomplish more, if we really want to do it!

The most important area of growth that I see in our work here is not the most obvious to everyone. This really important growth is in areas of spiritual strength. It has been, and our Lord willing, will continue to be my aim and goal as a preacher of the Gospel, to "hew to the line" in proclaiming the truth as revealed in God's Word on every subject and principle that He deals with in His Revelation. I could not be happier with the strong, urgent support that our Eldership gives me. Without this the going would be far more difficult. But the Elders are not the only ones who support the preaching of the Word here. The vast majority of those who are attenders here, and all the faithful Christians, are staunch supporters of the Truth, and want it proclaimed in a direct and faithful way. I thank God for all of you.

Our young people are a delight to work and worship with. We have a great group of young adults and younger people even, who delight in following the principles of God's truth! While many so-called Christian young people are still allured by the enticements of sin and hunt for those who will salve their consciences, those who are here love the truth and desire to learn it and follow it! We thank God for them!

Again, my family and I are thankful that we are a part of the Bybee Branch church. We look forward, our Lord willing, to many more years of service in this part of our Lord's Kingdom. Pray for us. ---Glenn B. Ramsey

## PREACHING TO NEEDS

by Dub McClish

The ideal sermon deals with the needs of those who sit in the pew. The unending quest of those who preach must be to find the real needs of people and meet them with inspired truth. However, one does not preach very long until he is struck with the fact that what people need and what they desire are often far apart. This is not a new phenomenon. In 700 B.C., Israel needed to hear the law of the Lord, but desired something else. They told Isaiah: "Prophecy not unto us right things, speak unto us smooth things, prophecy deceits, get you out of the way..." (Is. 30:11). By the time of Jeremiah, circumstances had grown worse. The priests and prophets had begun to cater to the desires rather than to the needs of the people. The prophet laments: "A wonderful and horrible thing is come to pass in the land: the prophets prophecy falsely, and the priests bear rule by their means; and my people love to have it so" (Jer. 5:30-31). Paul predicts that such a time would come in the church: "For the time will come when they will not endure the sound doctrine; but having itching ears, will heap to themselves teachers after their own lusts; and will turn away their ears from the truth..." (II Tim. 4:3-4).

It is human nature to seek approbation rather than admonition. If I had been given the choice as a boy, I would have taken orange juice instead of castor oil! When I preached on immodest clothing, social drinking, etc., where I lived a few years ago, one of the deacons became very upset, withholding his contribution for several weeks. He didn't desire such preaching, but he and his wife surely needed it! Another church I worked with had a portion of the eldership and the church to fall under the influence of doctrinal and moral liberalism. The critical need of the church was clear doctrinal preaching, but regrettably, they would not have it so. The adulterer does not relish sermons on adultery (witness Herod and John), but they must still be preached because they are needed.

When you hear a sermon, I counsel you not to judge it merely on whether you "liked" it or it made you "feel good." The better criterion is whether you needed it. But even if you didn't, someone else probably did!

PASSING THE TEST

A wise teacher used to always tell his class before giving them a test, "I'm giving you two tests today---one in trigonometry and one in honesty. I hope you pass both of them. But if you can pass only one, be sure it's the test in honesty, because there are a lot of good men who don't know any trigonometry, but there are no good men who are not honest."

## NEWS & NOTES . . .

Pantry Barrel: Thanks for your continued support of this benevolent project. We need such items as SUGAR, SALT, SHORTENING, etc.

COURSE IN HEBREWS: Meets at 7:00 p.m. each Thursday at F. C. Boyd School. Thomas F. Eaves, Sr., is the instructor. If you haven't enrolled yet, you have missed only one class. Next class meets September 27.

SYMPATHY: We use this means to express our sympathy to the family of Bro. Charles Jarrett. His funeral was held in Chattanooga on September 21. He was our Sis. Mary Baucum's Father. Bro. Jarrett was a faithful Christian. He and his wife visited us during the gospel meeting with Bro. Eaves last spring. Bro. Eaves paid him a very high compliment during that service. We rejoice in the hope we have in Christ and pray that the comfort of God's word abide with this fine Christian family.

SYMPATHY: We express our sympathy to the family of Bro. Gerald Fults. His funeral was September 24. He had been seriously ill for over a year. To his Mother, Sis. Bernice Fults, his Sister, Sis. Barbara Pennington, his immediate family and all the host of his friends we express our sympathy. Bro. Gerald was a faithful member of the East End church of Christ. His untimely death is a hard thing for us to consider. His faith and service in our Lord's Kingdom yields the hope that we all have in Christ. We pray that the comfort of God's word be with this family.

THANKS. A fine crowd enjoyed the food and fellowship of the evening last Saturday (22nd). Our thanks to our younger people who did most of the work. It was truly an enjoyable time. We ought to do that more often!

GOSPEL MEETINGS: Woodbury church of Christ, through September 28th. 7:00 p.m. Billy Newby, preacher.

Eureka church of Christ, through 28th. 7:30 p.m. Jimmy Carver, preacher.

O'Conner church of Christ, White County, September 27-29, 7:00 p.m. Glenn Ramsey, preacher.

Burrstown church of Christ, Jackson County, Sept. 30-October 5. Glenn Ramsey, preacher.

(These last two meetings will conclude my meeting schedule of the year. I hope you will pray for all these efforts, and attend as many as you can. --Glenn)

Sunday September 30th. Sunday morning Bro. Richard Bost will be preaching at Bybee Branch. Bro. Richard is a faithful and able preacher. We are thankful that he and his family can be with us then.

Sunday evening our Young Men will be in charge of the worship services. Bro. Ronnie Rogers will be preaching. These young men do a splendid job. Be sure to give them your encouragement with your presence and commendations.

\*\*\*\*\*

Those Who Are Sick: (We list those of our number who are sick for the following reasons: 1) to inform the rest of the family here at Bybee Branch, 2) to enable each faithful Christian the opportunity to PRAY for these on a daily basis, 3) to enable all Christians to visit them when such is appropriate.)

Bro. Hollie Wilcher is now home after having treatment in the Hospital for a broken leg and foot. He is doing very well. Little Christopher Young, Jan Foster's Grandson is responding to treatments for a case of spinal meningitis. He is at home now. Sis. Catherine Flatt is now at home following surgery September 24 in Parkview Hospital in Nashville. She is doing well. Sis. Wilda Mae Porter was able to be back at services. Bro. Hobert Griffith continues to be about the same. Bro. Lloyd Foster is still quite ill. Bro. Thurman Bennett suffered a leg injury in a chain saw attack! He was fortunate and is now able to be about very well. Bro. James G. Cantrell has been in Riverpark Hospital. He expects to go home this week. David Shuster spent a time in Riverpark recently. He is now out and doing better. Sis. Velma Bennett is in the Warren County Hospital. Sis. Icie Chilton is improved. Bro. Lavoy Grove is now back in action after a stay at the Baptist Hospital in Nashville. Bro. Peyton Green is in the Riverpark Hospital. Bro. Scott Griffith was sick last week. Sis. Melba Bonner was sick last week. Sis. Sandra Jones was ill last week. Sis. Cynthia Duncan was sick last Sunday. Mrs. Wilma Yates, Mother of Sis. Shirley Nunley, underwent surgery at Riverpark Hospital (26th). Sis. Ruth Foster is back after recent hospital stay in Nashville.

## News & Notes:

PROMOTION DAY NEXT SUNDAY---OCTOBER 7. Bro. Don Griffith will be in charge of this annual event. Following the 9:00 a.m. worship he will be giving instruction to all the classes and teachers. This is a very important day. Be sure to be present with YOUR entire family to begin this quarter's (and new year's) study.

LADIES' BIBLE CLASS RESUMES: Tuesday October 9 will see the Ladies' class resume meeting at 10:00 a.m. We want to encourage all ladies of the congregation and from the surrounding area congregations to be a part of this work.

OCTOBER 12---SEE THE "PHIL DONAHUE"SHOW: No, we're not starting a promotion of TV shows. But this one will be important for you to see. In our area this program is aired over WSMV, Channel 4 (NBC) at 9:a.m. This is a special program. Bro. Garland Elkins appeared on this program when it was taped recently, and spoke in defense of the church's right to discipline its members. This related to the Collingsville, Oklahoma episode.

BURRISTOWN MEETING. At this writing the meeting with the Burristown church of Christ in Jackson County, Tennessee continues with fine interest. The meeting will conclude with the 7:30 p.m. service October 5. Remember to pray for these efforts.

PANTRY ITEMS: Thank you for remembering to bring a pantry item. Things such as Sugar and Salt, etc. are needed.

"WAY OF TRUTH" RADIO PROGRAM: Glenn Ramsey will be the speaker at the 4:30 p.m. program October 8 - 12. This is the last time this year that Bybee Branch will sponsor this program. It discontinues this month and resumes the first of January.

THOSE WHO ARE SICK: Bill Griffith, relative of several people here at Bybee Branch suffered injuries in a car accident last week. He is in a Birmingham, Alabama hospital. He received a broken collar bone and other injuries. He will be in the hospital for some time there, but his condition is stable and improving.

Wilma Yates, Sis. Shirley Nunley's Mother, had surgery last week and is reported to be doing well.

Sis. Catherine Flatt, Sis. Velma Bennett, Bro. Hollie Wilcher, and Bro. Peyton Greene are said to be somewhat better. We hope these continue to improve and will soon be able to be with us at our worship periods.

## POSITIVELY NEGATIVE by W. T. Hamilton

Most of us like positive preaching more than negative preaching. And the positive is important---just as important as the negative. But the negative is important, too---just as important as the positive! The Bible contains some mighty important negative statements:

"He that believeth not shall be damned." (Mark 16:16).

"Except ye repent, ye shall all likewise perish." (Luke 13:3)

"Whosoever shall deny me before men, him will I also deny before my father which is in heaven." (Matthew 10:33).

"Except a man be born of water and of the Spirit he cannot enter into the kingdom of God." (John 3:5).

It is easy to get hung up on one side or another of this "positive vs. negative" argument. Such a one would do well to read the Scriptures and see how many Biblical statements are positive . . . and how many are negative . . . and how many are both positive AND negative!

By such a study we may avoid the paradox of being POSITIVELY AGAINST ANYTHING NEGATIVE!

## NEWS & NOTES . . .

Those Who Are Sick: Bro. Hollie Wilcher continues to improve at home. Bro. Hobert Griffith continues about the same. He is at home. Bro. Thomas Cantrell is now receiving treatment on an out-patient basis for a back problem. Bro. Lloyd Foster is about the same. Sis. Velma Bennett, Sis. Genira Barrett, Bro. Dewey Gribble, Sis. Ada Tramel and others are still shut-in and unable to be at services. Sis. Bessie Laws, Grandmother of Janice Stiles and Sandy Haston, is in the Riverpark Hospital. Sis. Sherry Graves was sick last week. Sis. Bessie Parker has been sick and unable to be out recently. Sis. Susie Griffith was sick last week.

Attendance Check: We appreciate the great cooperation we receive by all in our attendance check program. We urge the two or three families of the church that do not fill out their cards on a regular basis to do so. Please help us. Thanks to the several families who make the necessary calls for those who are absent. We do this as a means of caring for all our families. Please help us.

Responses: We rejoiced last Sunday morning when three of our young people responded to the Lord's invitation asking for the prayers of the church that they be forgiven of failures in their lives and asking God's blessings for wisdom and strength. They were: Jeff Bond, Connie Ramsey and Regina Reynolds.

Richard Bost to speak: Bro. Richard will preach Sunday morning. Glenn Ramsey will be speaking at 10:00 a.m. (Eastern Time) at the Great Smoky Mountains Lectureship in Gatlinburg. Glenn plans to be back for the evening worship.

Last week we noted that Bro. Bost and his family had placed membership with us. Their address is: 325 Westwood Drive. Phone: 473-6207. Richard, Brenda and their Son Mike, and Daughter Tracey are a great family, all are Christians. Tracey is a student at David Lipscomb College. We apologize for incorrect information about Tracey that we had in last week's bulletin.

SPIRITUAL SWORD LECTURESHIP: The ninth annual Spiritual Sword Lectureship will be October 21 - 25 at the Getwell church of Christ, Memphis. Please see the brochure about this on the bulletin board. Glenn will be speaking on Thursday, October 25.

FALL FESTIVAL FELLOWSHIP: October 27. Conducted by the Young Adult Class. FOR THE ENTIRE CONGREGATION! Watch for further announcements.

Congregational Singing: Teen-age class invites all the congregation to come and sing: November 5 at 7:00 p.m. Teenagers will provide refreshments! We have a GREAT group of TEENS! Thanks to Brethren Thurman Bennett and Gipson Baucum for their untiring efforts with this group!

Pantry Items: Thanks for your continued efforts to provide food stuffs and other items for the "hungry" barrel! You are doing a great job!

\* \* \* \* \*

SPECIAL SERIES OF LESSONS: Sunday Mornings, November 11, 18 and perhaps 25.

At request of our Eldership, Glenn Ramsey will present two and perhaps three lessons on the subject of "Church Discipline" beginning on November 11, our Lord willing. We hope each family will be studying these themes and plan to be present for each session of worship and study. This is a very important study---one that is mostly neglected, and one that is the battlefield (front line) of controversy in our brotherhood. But we must "obey God and not man."

\*\*\*\*\*

Sympathy: We express our sympathy to the family of our Bro. Woodrow Byers. His funeral was Oct. 15. Bro. Byers was a member of the Bonner church of Christ. He was a man who loved the truth and the church. He had become a close personal friend to me during the last eight years. We rejoice in the hope we have for him in Christ. ---Glenn

## THE PULL---UP OR DOWN

The story is told of a girl who came to a gospel preacher for advice on her contemplated marriage to a boy who was not a Christian. The preacher asked the girl to step up on a chair, then onto a desk. He said, "Now pull me up where you are." She tried but failed. The preacher, while still holding the girl's hand, gave a slight tug and pulled her to the floor. He then said, "It is more probable that this non-Christian boy will pull you down to his level than it is that you will pull him up to yours." via Elmore, OK

## News & Notes . . .

Congregational Singing: November 5, 7:00 p.m. All are invited to attend. The Monday Night Young People's Class is in charge of this event.

Fall Fellowship Activity: October 27; 5:00 p.m. at church building. This is a fine time of enjoyable fellowship. All the congregation is invited. The Young Adult Class is in charge of activities.

Restored: We rejoiced last Sunday evening when Bro. David Hennessee confessed his failures and neglect concerning Christian duty, and asked the prayers of God's people that God forgive him. We pray that David will continue to grow faithfully in our Lord's service.

Bill Ramsay to speak: Bro. Bill Ramsay plans to be at Bybee Branch Sunday evening, October 28. He does extensive work with Korean Missions, especially in the area of correspondence course work there. You will want to hear what he has to say about that part of the world.

Quarterly Business Meeting: The third-quarter general business meeting will be conducted following p.m. services October 28. All men of the congregation will be needed at this meeting. Our Elders request our attendance. It, therefore, is our duty to be present! There are some men of the church here that have NEVER or SELDOM EVER attended such a meeting! Does this mean they have really NO CONCERN for the church's work?

Report on GSM Lectures: The Great Smoky Mountain Lectureship was about TWICE as large as last year (in attendance). It was an honor to me to be able to speak to a packed house at one of the A.M. services last Sunday. People from all over the Southeastern States, and other places as well were in attendance. This lectureship is conducted the Third week-end of October each year. (Glenn)

Spiritual Sword Lectureship. The Spiritual Sword Lectureship in Memphis is in progress this week. I have been invited to speak on Thursday, October 25. The subject assigned me is "Withdrawing From The Disorderly (2 Thess. 3:6-15)". I plan to make the trip down to Memphis and back in about one day. Pray for our efforts.

## News & Notes...(continued)...

Thanks, Richard: I express appreciation and thanks to Bro. Richard Bost for preaching in my absence last Sunday morning. Richard's lesson was, according to my report that I've heard from several, well prepared, presented, and needed!

Sermon Topics Planned: At our Elders' Request, and our Lord willing, the sermons preached on Sunday mornings beginning November 11 and continuing through November 25 will be concerning Church Discipline. It is obvious that many do not know, or have not studied this important subject as they ought. Begin now to study!

Pantry Items: You're doing a good job. Keep at it!

Moved Membership: Sis. Laurene Ross has begun to worship and work at the Earlyville congregation. It is very close to her home. We will miss her, but wish her well in God's Family there.

SYMPATHY: We express our sympathy to the family of Sis. Lillian Gillian who passed away October 20. Her funeral was October 22. She was the Mother of our Sis. Eunice Simpson.

We express our sympathy to the family of Sis. Hazel Reynolds whose funeral was October 24. She was the Stepmother of Bro. Rodney Reynolds.

\*\*\*\*\*

Those Who Are Sick: Bro. Thomas Cantrell continues to receive treatments for his back. Bro. Hollie Wilcher is still at home. Bro. Hobert Griffith continues to make some improvement at home. Sis. Mary Martin suffered a sprained foot in a fall recently. Sis. Bertha Steward has spent several days in Riverpark. She hopes to be home by mid-week. Sis. Laura Bouldin was sick this past week. Sis. Lucille Brock has been unable to be out due to a back ailment. Sis. Bessie Laws is much improved. Sis. Julie Bost was sick this past week.

We have several who are shut-in. We should always remember them in our prayers. They include: Velma Bennett, Genira Barrett, Ada Tramel, Dewey Gribble, Dewey Cantrell, Peyton Greene, Robert Cantrell.

YEW AWT TWO REED THIS HEAR ARTIKUL

An illiterate salesman had been sent on a selling assignment. His letters to the boss are worth reading.

"Dear Boss: I seen this outfit which they ain't never bought a dime's worth of nothing from us---I sole them a coupul hundred thousand dollars worth of guds. I'm now in Chkawgo." Two days later a second letter arrived at the home office. It read, "I cum hear and sole them half milyon."

Both letters were posted on the bulletin board with a note added by the company president. Catching the spirit of the situation, the president wrote in this fashion:

"We bin spendin to much time hear trying to spel instead of tryin to sel. Le'ts watch these sails. I want everybody shud reed these letters from Gooch who is on the road doin a grate job for us, and you shud go out and do like he done."

The preacher says, "People are movin into this hear community and we aint gettin' 'em invited and vistud. Least wise not fast enuf. Peopul live rite near us and we ain't invitin 'em. Let's do our best to work for Christ!

SYMPATHY: We express our sympathy to the family of Mr. Lattie Leech, Uncle of Sandy Haston and Janice Stiles. His funeral was last Sunday.

THANK YOU. . .

I can never thank you all enough for your wonderful concern for me. Your prayers, calls, cards, visits, food, and all other kindnesses, including the gifts, and many flowers, are just overwhelming. Thank you, and I love you all very much. It's wonderful to have such fine Christian friends as you are.

Lessons on Church Discipline: Beginning November 11 and continuing for about two weeks, the sermons will be on the subject of God's will about church discipline. While many talk of this theme, and few practice it, it is a subject that fewer still are as knowledgeable about as we all need to be. We hope all will study these lessons seriously.

## TOSSED SALAD

One day as a mother was scraping and peeling vegetables for a salad, her daughter came to ask her permission to go to an amusement center that had a bad reputation. On the defensive, the daughter admitted it was a questionable place, but "all the other girls were going."

As the teenage daughter pleaded to go, she suddenly saw her mother pick up a handful of discarded vegetable peelings and toss them into the salad. Startled, she cried, "Mother, you are putting garbage into the salad." "Yes," her mother replied, "I know; but I thought that if you did not mind garbage in your mind and heart, you certainly would not mind a little garbage in your stomach."

Thoughtfully, the girl removed the offending material from the salad, and with a brief, "Thank You" to her mother she went to tell her friends that she would not be going with them.

If you have spiritual indigestion and are a poor example, maybe it's because you have tossed too much garbage in the salad.

SUNDAY was a very good day. It is very encouraging to all of us to have visitors in each of our services. The concern shown by the Christians here for each other and for those who visit us is just great. Let's all remember that we can do things that will help others. We can have the Christian attitude that makes a difference in the lives of each person we contact.

As a Gospel Preacher I appreciate more than you can know your love for the truth! It is certainly wonderful to know that those who listen to sermons presented do really believe God's truth, and are urgent in their desire to know better of His Way. Our studies in Church Discipline are so very important to each of us, and to the life of the Lord's church. Please make it a point to study personally the lessons presented. We all need to grow in our knowledge of the Lord's way.

## WRONG IS ALWAYS WRONG

by Pat McGee

In a period of loose and sagging morals, Satan provides many rationalizations for improper behavior. Those who live a faithful Christian life must not be "ignorant of his devices" (2 Cor. 2:11). Wrong is always wrong despite our efforts to excuse our actions.

Wrong is wrong, even if you don't get caught. Let us remember that "the eyes of the Lord are in every place beholding the evil and the good" (Proverbs 15:13).

Wrong is wrong, even if you do it for a good cause. The honorable purpose does not justify a dishonorable deed or action. The end never justifies the means. "All sin is transgression of the law" (1 John 3:4; 5:17; 2 John 9).

Wrong is wrong, even if others do worse things. It will be of little comfort to you in the day of judgment if you should be lost, knowing that others did things which you considered to be worse than your sins. Remember, the thought of foolishness is sin (Proverbs 24:9).

Wrong is wrong, even if it doesn't bother your conscience. Your conscience can be trained or educated wrong, to accept wrong doing, and even an honest sin or evil done in sincerity is sinful in the sight of the Holy God. ". . . Whatever a man sows, that shall a man reap" (Gal. 6:7).

Wrong is wrong, even if it is commonly considered acceptable. The Bible says, "Thou shalt not follow a multitude to do evil" (Exodus 23:2). The Christian should enter not into the path of wicked men, and go not in the way of evil men. Void it, pass not by it, turn from it. (Prov. 4:4,5). There Is Never A Right Way To Do A Wrong!

“Christ, Our Creed; the Bible, Our Guide”

NEWS & NOTES . . .

Restored: We rejoiced last Sunday evening when Sis. Debra Hollis responded to our Lord's invitation requesting the prayers of God's people that she be forgiven of sins which she confessed before the church. We deeply respect and appreciate her attitude and effort to live for Him.

\*\*\*\*\*

SYMPATHY: This past week three of our families have been touched with the passing of members of their family.

Mr. Claude Smith, Husband of Sis. Edna Smith and Father of Sis. Lennie Ruth Kesey passed away. His funeral was November 24. He had been confined to health-care facilities for many years. He was 65.

Sis. Icie Chilton, Mother of Bro. W. C. Chilton died following a long illness. Her funeral was Wednesday (November 28). We pray that the comfort of God's Word be with this good family. Sis. Chilton was 83. She had been a member of the Lord's church many years.

All of us at Bybee Branch were shocked and sorrowed at the sudden passing of Sis. Hazel Neal. Funeral services were held this past Monday (November 26). Sis. Neal was a faithful member of the congregation at Bybee Branch. She was a beautiful Christian lady. She encouraged many in their work for the Lord. She was a faithful wife (she and Bro. W. E. had been married almost 59 years). She is missed by all of us. We expect to see her again in a land far better than this. We pray that the comfort and strength that comes from God's promises will abide with Bro. Neal and the family.

\*\*\*\*\*

It'll Be Warmer---SOON! The class-rooms on the north side of the building will have a new heating system!!

Those Who Are Sick: Sis. Bessie Lee Case continues in Warren General Hospital. She is recovering from surgery to repair a broken hip. We hope she recovers soon. Bro. Dewey Cantrell had surgery at at Riverpark Hospital November 27. He is reported to be making satisfactory progress in recovery.

Others who have been out due to illness include: Lloyd Foster, Hollie Wilcher, Hallie Cantrell, Harold Mitchell, Frank Hutchins, Missy Hendrixson, Kara Nunley, and Joe Roller.

Please let the announcer (see his name on the program of worship) know of others who are ill. Call him ahead of time so the announcement can be made on Sunday.

\*\*\*\*\*

Gospel Meeting At Tanner, Alabama. Glenn Ramsey will be preaching in this meeting December 2 - 4. Please pray for this effort. Bro. Richard Bost will be preaching both times at Bybee Branch on Sunday, December 2. We do really appreciate Bro. Bost's willingness and ability to help us.

\*\*\*\*\*

ATTENTION EVERYONE: Several of you have not filled out a Membership and Record Sheet. If you have not done so; or wish to revise your offerings of service, placed on the stand at the entrance of the building are the sheets. Please fill out one (one for each member of your family that is a Christian), and give it to Glenn as soon as possible. The program of worship and other service privileges come from the information on these sheets. We need your help in this matter. \*\*\*If you or someone you know needs transportation by bus to services, call Rodney Reynolds.

## JUST FOR TODAY

(submitted by Harold Cook)

Yesterday has gone---too late to do anything about it.  
Tomorrow isn't here yet---so that's out of our hands.

Today we have the only time within our control, so---

JUST FOR TODAY---I will be happy.

Most folks are just about as happy as they make up their minds to be. After all, happiness is from within, it is not a matter of externals.

JUST FOR TODAY---I will exercise my soul three ways:

I will do somebody a good turn without anyone knowing.

(If anybody knows it doesn't count.)

I will do at least two things I don't want to do.

(Just for exercise).

I will not show anyone my feelings are hurt.

(They may be, but just for today I'm not going to show it.)

JUST FOR TODAY---I'll have a quiet half-hour all by myself and relax.

In this half-hour I'll center my thoughts on God, thereby giving greater perspective to my own life.

JUST FOR TODAY---I will be unafraid.

Especially I will not be afraid to be happy, to enjoy what is beautiful, to love and to believe that those I love, love me.

## A TIME MADE FOR EXCUSES?

With the coming of winter weather, winter activities, and winter inactivity, many find the perfect time for excusing themselves from their service to God. For most such folks, one excuse is as good as another. Their real problem is lack of love for God and His kingdom! This lack in their life causes them to spend more time and energy looking for a "way out" of service, than to devote the same time "in service!" God is the God of Winter as well as Summer! Why not resolve to serve Him. He blesses YOU every day!

---Glenn

PREACHER,  
TRY TO PLEASE THE LORD

(Author Unknown)  
(From Words of Truth)

When I preach, there are some who say  
They could listen to me preach all day.  
Others think I preach too long;  
And others think I go about it wrong.  
Some say my sermon is much too deep;  
To others, it's shallow, and they go to sleep.  
Some report that I hold them spell-bound,  
While others squirm, and look around.  
Some speak of me as an 'orator';  
But others feel I'm a perfect 'bore'!  
Some believe I have no light;  
And others think I preach just right.  
Some affirm that I'm too bold;  
Others wink, and say I'm cold.  
Some used to say I was much too young;  
Now others declare my spring has sprung!  
Some folks tell I have met "success";  
Others think my work is a "mess".  
Some have said my pay is too low.  
When they discovered the pace I go;  
Still others say it is above the peak:  
"Why, he only works three hours a week!"  
From all of this, 'tis plain to see  
That as a preacher, I'm up a tree.  
Condemned if I do, condemned if I don't!  
Criticized if I will, criticized if I won't!  
I can't please men of such discord:  
So, I'LL JUST KEEP TRYING TO PLEASE MY LORD!

(The Wonders of Creation)  
THE GREAT HORNED OWL

Did you know that the owl has eyes 100 times more sensitive to light than humans? The Creator also put a sound tunnel from his eyes to each ear. His eyes are sunken in his head and the feathers form a saucer shape. Scientists call it a parabolic dish antenna. This dish can collect sounds of a scurrying mouse fifty feet below the owl!
